Dear Mr Alden

VARIATION TO CONDITIONS OF OPERATION

Variation to Approval (No. 6370) for Cutting of Wild Game

Thank you for your request to John Sterry, Veterinary Meat Hygiene Adviser, for your Red Meat and Poultry Meat Cutting Plant, Minced Meat and Meat Preparations Establishment to be also approved to cut Wild Game.

Further to his approval visit on 17 March 2008, John Sterry (VMHA) is satisfied that your premises is suitable for the **cutting of wild game meat**. I therefore confirm that the conditions under which your red meat and poultry meat cutting plant, minced meat and meat preparations establishment is operating (i.e. the conditions of your approval) are hereby varied to add the cutting only of wild game meat to the approved activities conducted at the premises. The premises may therefore now **cut wild game meat**. The approval document is attached at **Annex A**.

This variation to the conditions of operation of your establishment does not affect any existing matters which may be the subject of separate inspection or enforcement activity.

Yours sincerely
